A Different Feeling

*It's a different year, a different season,
Different changes for different reasons.*

*The sudden loss of teachers and friends,
But we still retain the memories of a happiness that will never end.*

*In our minds eye, we see the faces of the people we once knew,
Now in other schools, in other places, feeling the loss too.*

*The laughter, the pain, the happiness and the tears,
The experience of life you gained in those years.*

*The memories will never vanish or fade away,
But will remain clear as if it were yesterday.*

*It's a different feeling, having teachers anew,
But we soon learn to trust them too.*

*They adjust to our ways, and we to theirs;
After meeting them, the loss of others is easier to bear.*

*It's a different feeling going to class;
We think they're harsh and wonder how long we'll last.*

*But we find they're not hard on us;
It just takes a little getting used to.*

*And after learning to like them,
We often fear they may leave like the others before them.*

*Although they can't take the place of the others that came before,
They've carved out their own space in our hearts that's hard to ignore.*

 All Area Coach of the Year
 1981

WOW! What a successful season! This year had the most outstanding record of any team in our school's history. WOW! Over 1,000 career points was scored by Mandy Pauley — the most ever by a female athlete in the school history. Julie Hull scored 997 career points, the second highest number of points scored by a female athlete. Sophomore Alice Neal was named Mt. Empire District Player of the Year — the first

time a Rocky Gap Sophomore has been so honored. The honors go on and on. Without a doubt this is the best team Rocky Gap School has ever had. Thanks to Coach Havens and this team for all the hard work you put into your season. Your enthusiastic style of play was contagious.

THE SKI TRIP

Cascade Mountain Ski Resort
January 19, 1983

You let go! No, you let go.

Me and my shadow . . .

Please, let me get this other foot over too?

Just act natural!

BLAND COUNTY

Dig this: No Chair!

So she's perfected her Olympic pose . . .

So don't jump rope with us then!

This may be the winner's circle, but I'm getting dizzy.

TRACK MEET

Did no one else enter this race?

Bringing home the hardware!

SPIRIT WEEK

Spirit Week was observed November 29 through December 3. It was sponsored by the Yearbook Staff. Each day had a different form of Spirit as listed:

- Monday, November 29 — Hat Day
- Tuesday, November 30 — Tie Day
- Wednesday, December 1 — Jersey Day
- Thursday, December 2 — Preppy Day
- Friday, December 3 — Green & White Day

We would like to thank everyone who participated in Spirit Week. We would also like to thank the Junior Class who had the most school spirit. They averaged 57% in participation for the whole week.

Spirit Week Winners, the Junior Class.

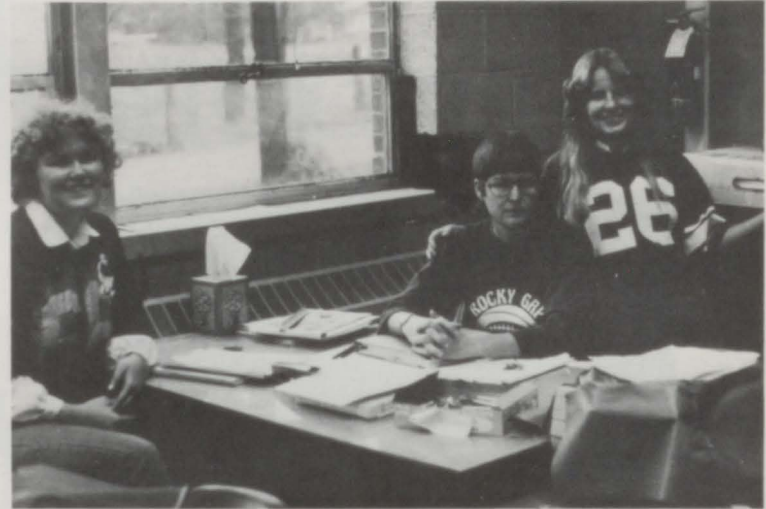

Winners of the Spirit stick, the Junior Class.

Monday Morning Blues

"And I'd like to thank ..."

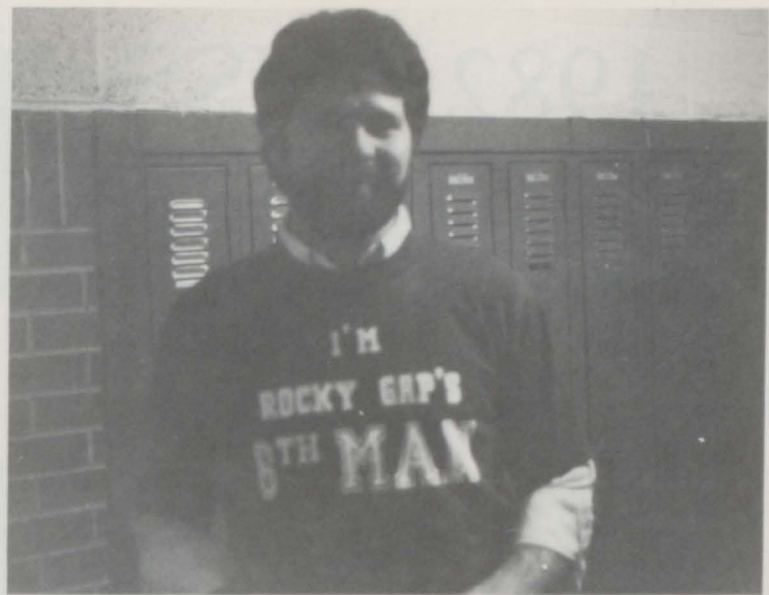

Jersey Day Spirits

We're your local spirit makers!

"I won the Season pass, and I didn't even buy a ticket! Am I ever lucky!"

"I'm not a bad Coach either."

"If anybody's got spirit, we do."

Going for two points!

I'm raising my arms because I'm sure.

They're not really studying, they're just trying to impress everybody.

today's ... and future expectations become realities—graduation, a job, college, a home—you assume new responsibilities.

Just as we do. Because when customers need electric service, we are obligated to provide it.

And we always knew that you and your classmates might one day be our customers. That's why we started planning for today ten years ago, so that we could provide electricity for the lifestyle you choose.

We hope we can supply electricity for all your tomorrows, too.
