STUDENT LIFE

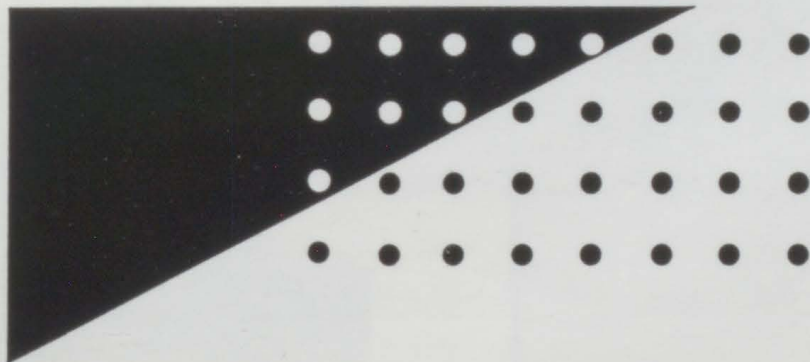

make it happen

Imagine . . .

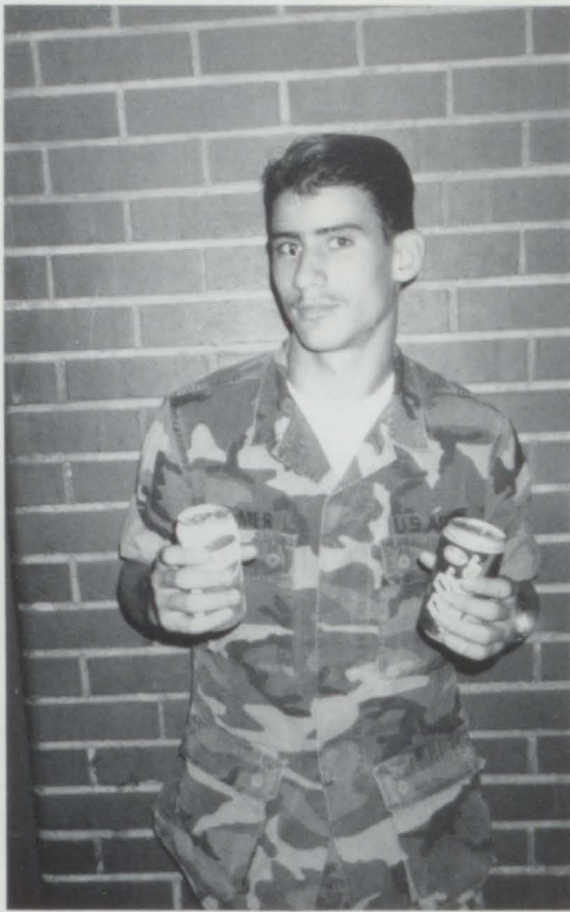

Friendships never
lost,
Knowledge never
wasted,
Memories that will
never fade,

Make It Happen.

Left: GI Joe can't decide between Pepsi and Dr Pepper.

Right: Tommy waits for the right time to jump.

Really, we're not up to anything!

Imagine . . . Make It Happen

Imagine . . . Make It Happen
What a concept to uphold,
To carry out the task
You must be strong and bold.

We gathered in the gymnasium
Listening to the normal guidelines and rules.
We, the students, made it happen.
We began a new year of school.

To some it will be hard
To others it will be a breeze,
Pre-Freshmen hesitate
And the seniors pass through with ease.

Imagine . . . Make It Happen
We can do it if we try,
This will be a great year
And that can't be denied.

SENIORS

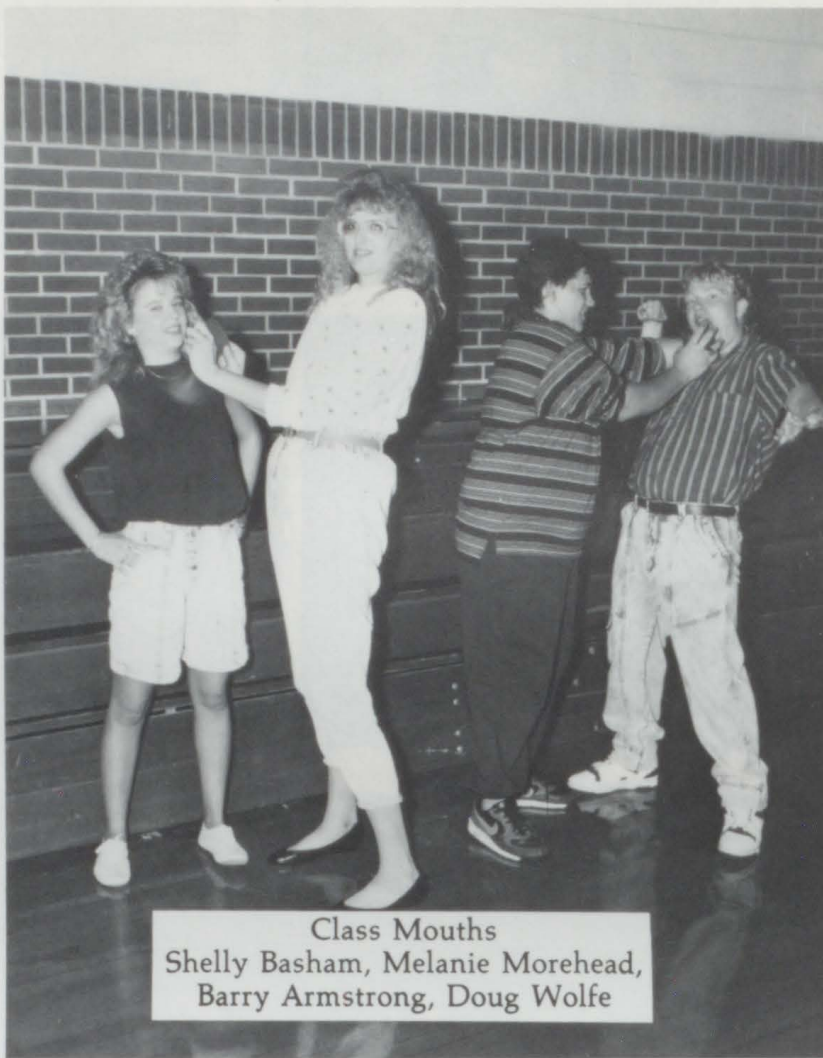

The seniors of the class of 1991 entered their last year of school with a great deal of enthusiasm. Faced with the question of what to do with their lives, they have high hopes for success. The senior year is sometimes stressful because of the uncertainties faced; yet, this will be the most fulfilling time of many students' lives. This will be a year many find themselves achieving goals that they never thought they would achieve.

Elementary Activities

Elementary school is an important time in students' lives. Teachers work hard to teach the basic classes such as reading, arithmetic, science, and social studies.

The elementary years are also a time of growth. The sixth and seventh graders are offered computer classes and pre-algebra in the high school. Art and band classes are also offered.

As well as the classes offered, teachers strive to make the educational process enjoyable for students. Dances and programs are given for students. The elementary prom is given each spring, as well as the seventh grade trip.

today's... and future expectations become realities—graduation, a job, college, a home—you assume new responsibilities.

Just as we do. Because when customers need electric service, we are obligated to provide it.

And we always knew that you and your classmates might one day be our customers. That's why we started planning for today ten years ago, so that we could provide electricity for the lifestyle you choose.

We hope we can supply electricity for all your tomorrows, too.

IN MEMORY OF STEPHEN LINDAMOOD

February 3, 1991 is a day that touched the hearts of many and changed the lives of others. On this day we lost Stephen Lindamood, a dear friend from Bland High School, to a fatal car accident. This incident we pray will live in the minds and hearts of every teenager in Bland County. May we never forget the love lost on this day.
