MRS. MABLE PRUETT

MISS BETTY JOYCE BLESSING

Dedication

To two of our most deserving teachers for their loyalty to the students, their never ending co-operation in every phase of our school life, their non-failing sense of humor and their devotion to our school, we, the "ROGAHI" staff proudly dedicate the 1958 Rogahi to two of our dear teachers, Miss Betty Joyce Blessing and Mrs. Mable Pruett.

Principal's Message

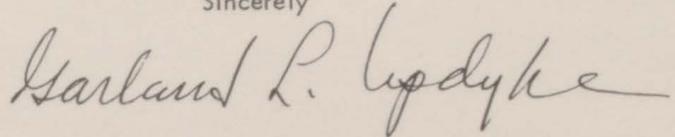

To the students of Rocky Gap High School:

Congratulations to the Rogahi Staff, their sponsor, and to all who have made this fine yearbook possible to the Rocky Gap High School.

As you view the future, you can see that the person who can think holds the key to progress. Therefore, as you go forth from high school, look to the immediate future to better prepare yourselves to cope with some of the problems that will face each of you in this Hydrogen Age. May your efforts be in the direction of peace and not destruction.

Many thanks for your co-operation and assistance during your high school careers.

Sincerely

Garland L. Updyke, Principal

Class Prophecy

We, the prophets of the class of '58 will not attempt to give a true report of what each person will do in life, but we will try to predict the future ten years, hence:

FRANCIS RADFORD is a private chauffeur for the famous comedian BUDDY LUCAS.

JUDY THOMPSON seems to like married life; she and Jimmy took the plunge right after school was out.

D. A. MYERS, the dance instructor, is in the process of reviving an old dance craze, the Rock 'n Roll.

VIRGINIA BRADSHAW is still playing the part of the gay career girl; she's working as a private secretary to the famous guitar manufacturer, Elvis Presley.

Class History

Four years ago a class of 50 students entered R.G.H.S. ready for a year of hard work. This was the turning point in History. We studied a great deal and talked the same way. Mrs. Pruett, our homeroom teacher, was delighted to be rid of such a brilliant class, so she happily passed us to higher rank—Sophomores.

In our Sophomore year we had 48 students. We were divided into two groups and placed in different rooms. Mr. Mauldin, our sponsor, planned a weiner roast for us in May. As a result we almost lost our chance to be Juniors. It was so chilly we almost froze.

Our Junior year was a thrilling experience for each of us. We received our class rings, and had an exciting Junior-Senior Banquet. There were 45 students to share in this pleasure. Mrs. Gordon was our sponsor.

We began our Senior year with 40 students. A short while ago we gained another one--bringing us to a grand total of 41. We had a Christmas Dinner and are looking forward with pleasure to doing our Senior play.

Mrs. Pruett and Miss Blessing are our sponsors.

Mr. Updyke has been our principal through all these troubled times. Mr. Earle Crabtree joined the staff of teachers this year.
